TABLE OF CONTENTS

Volume 63

AHMADJIAN, V. The lichen association 250
AL-AISH, M. & L. E. ANDERSON. Chromosome numbers of some Arizona mosses 17
——— & ———. The chromosomes of *Bartramidula carolinae* 26
ANDERSON, L. E. Personal reflections on Alexander W. Evans 84
ANDREWS, A. L. Notes on North American *Sphagnum*. XII. *Sphagnum cyclophyllum* 229
———. Taxonomic notes. XV. The reciprocal hybrid of *Ditrichum-Pleuridium* 179
ARNELL, S. *Cololejeunea tuberculata* found in Cuba 115
BARTRAM, E. B. Mosses of Guam, Mariana Islands 101
BIRD, C. D. Notes on the current list of New Mexico Hepaticae 114
BLOMQUIST, H. L. "Fruiting" specimens of *Sphagnum portoricense* 225
BONNER, C. E. B. & H. A. MILLER. Studies in Lejeuneaceae. I. The typification of *Lejeunea* 217
CRIDLAND, A. A. Notes on Kansas mosses 51
CRUM, H. Reviews 255, 256
———. Three new species of *Fissidens* 93
——— & L. E. ANDERSON. A bryological contribution from Florida 32
——— & H. WILLIAMS. Bryophytes of the Mont Tremblant area 59
CULBERSON, W. L. Recent literature on lichens 67, 130, 199, 256
EDITOR. Members of the American Bryological Society ... 260
———. News and notes 70, 135, 201, 269
ENGLE, MILDRED JOAN. Corticolous bryophytes on *Pinus* in Florida 238
EYERDAM, WALTER J. Lichens new to the state of Washington 107
